

This is a Sample Title

Product name : Library Ladder Libri

Summary

Practical and beautiful!

This delicate ladder made from pear tree wood can be used in any setting where you need to reach a high shelf or platform. Due to the intricate craftsmanship the ladder has a discrete appearance and can act as a decorative or sculptural element.

The inspiration for this furniture piece was a model from 1930!

- For an apartment, kitchen, library, atelier, archive
- Can be compacted and stowed away, due to its folding mechanism
- Despite delicate appearance it is extremely sturdy and durable

Dimensions:

Height: 135 cm

Width: 58cm (folded), 85 cm (unfolded)
